### **Lane restrictions on WIS 21 in Oshkosh**

*Minor traffic impacts for motorists*

(Green Bay) The Wisconsin Department of Transportation (WisDOT) NE regional office at Green Bay is announcing that the WIS 21 westbound right lane will be closed between Rath Lane and the on-ramp to US 41 northbound on August 11 and from August 24 to August 27 in Winnebago County.

The closure is needed so crews can perform storm sewer work. The construction is part of the US 41 Project. Motorists are advised to use caution and remain alert when driving through this or any work zone.

*About the project*

WisDOT is initiating expansion and improvement of two segments of US 41 totaling 31 miles. The project will include road expansion to accommodate traffic volume, improved interchanges and expansion of the Lake Butte des Morts Causeway. The project, beginning in summer 2009, will improve safety and ease congestion for travelers. Current construction information and details about the project can be found at [www.dot.wisconsin.gov](http://www.dot.wisconsin.gov).
